As a full-time professional storyteller, Priscilla Howe presents 150+ performances and workshops around the US and abroad. Priscilla tells stories from books, world folktales and her own stories, served with a generous dollop of humor. She's a former children's librarian, deeply invested in encouraging kids to read. She offers plenty of participation and puppet hilarity in shows for young children. Older kids get more sophisticated—and still compelling—fare.

Listeners remember—and retell—Priscilla's stories long after they first hear them!

Here are a few of the programs Priscilla offers

- Good Choices, Bad Choices: Stories of Wise Action (k—gr.6)
- World Tour: Folktales from Around the Globe (preK—gr.6)
